## Georgia Fire Academy Field Training Request

### USE THIS FORM TO REQUEST OFF-CAMPUS TRAINING

In order for the Georgia Fire Academy to conduct training at a local facility, Georgia law requires that the fire department to receive the training meet all compliance requirements, and be issued a Certificate of Compliance by Georgia Firefighter Standards and Training Council. Exceptions may be granted for attendance in a Basic Fire Fighter Course which is needed to meet compliance requirements. Agencies or organizations, other than fire departments must also meet additional specific eligibility requirements in order to receive training.
